Options 1

OPTIONS APPLICABLE TO ALL WHEELS	SERIES	DESCRIPTION	PRICE	NOTES
Custom Center Cap Design	ALL	ADV.1 Aluminum Cap w/ custom logo engraving	¥53,000	Includes 4 center caps / finished to match wheel surface
OEM Center cap groove	ALL	OEM Center cap applicable wheels / ADV.1 center caps not included	¥47,000	Includes 0 center caps or in some cases includes 4 OEM cap adapters finished to match wheel surface (vehicle make specific)
ADV.1 Center Cap (Replacements)	ALL	Sold in min. x4 piece qty. w/ 1 finish applied to all 4 (Must have original wheel order #)	¥20,000	Includes 4 center caps / finished to match wheel surface
Custom logo engraving applied to wheel surface	ALL	Custom logo added or request to remove standard logo / engraving from wheel	¥66,000	Subject to approval / please provide draft or description to rep for final approval prior to placing order
Modified wheel style	ALL	Modification to existing ADV.1 style / Max. 1 draft / revision	¥66,000	Subject to approval / please provide draft or description to rep for final approval prior to placing order
New / Individually Designed Wheel Style	ALL	New Wheel Style / Individually Designed to order / Max. 1 draft / 3 revisions	¥300,000	Subject to approval / please provide draft or description to rep for final approval prior to placing order / NON proprietary / Price includes engineering / 3d models only
Titanium Lug Bolts / Nuts	ALL	All sizes / applications applicable	¥50,000	4 / 5 / 6 / 8 lug applicable - OEM bolt or aftermarket wheel sizes available / ADV.1 logo laser etched on all closed end heads
Titanium Hardware	ALL	Titanium exposed 2 piece or blind bolt 1 piece hardware set (x40 per wheel // X160 total)	¥53,000	Front mount closed end nut w/ logo etched or front / rear mount through / blindbolt set
Titanium Anodized Hardware	ALL	GOLD Anodized Titanium front mount closed end nut w/ ADV.1 logo (x40 per wheel // x160 total)	¥53,000	Front mount closed end nut w/ logo etched / Anodized Gold finish
TRACKSPEC	SERIES	DESCRIPTION	PRICE	NOTES
Exposed Titanium Hardware	CS SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Exposed Titanium Hardware / Anodized Gold Finish	CS SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo + Gold Anodized Finish	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Blind Bolt / Reverse Mount Hardware	CS SERIES	Rear mount stainless blind bolt w/ allen key head	FREE	x40 per wheel
Exposed Standard Hardware / Painted	CS SERIES	Front mount standard through bolt w/ PPG Liquid paint or powder coated finish applied	¥53,000	x40 per wheel / includes standard rear mount open ended nut (Stainless Steel)
Leg Extension	CS SERIES	Leg Extension option	¥62,000	Provides a deeper lip by relocating assembly flange further inside the wheel / 20" + diameter only / Front wheel not always applicable / ask sales rep for details
Backpad Pocketing	CS SERIES	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove ring and / or pocketing process applied based on application specific parameters
FEA Weight Optimization Process / "LTS Protocol"	CS SERIES	Vehicle load specific engineering - strength / material thickness tolerance w/ FEA analysis	¥62,000	TUV Tested / Strength parameters used for application specific engineering / weight reduction process
Exposed Titanium Hardware	SL SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Exposed Titanium Hardware / Anodized Gold Finish	SL SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo + Gold Anodized Finish	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Blind Bolt / Reverse Mount Hardware	SL SERIES	Rear mount stainless blind bolt w/ allen key head	FREE	x40 per wheel
Exposed Standard Hardware / Painted	SL SERIES	Front mount standard through bolt w/ PPG Liquid paint or powder coated finish applied	¥13,000	x40 per wheel / includes standard rear mount open ended nut (Stainless Steel)
Leg Extension	SL SERIES	Leg Extension option	¥62,000	Provides a deeper lip by relocating assembly flange further inside the wheel / 20" + diameter only
Backpad Pocketing	SL SERIES	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove ring and / or pocketing process applied based on application specific parameters

M.V1	SERIES	DESCRIPTION	PRICE	NOTES
Backpad Pocketing	CS SERIES	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove ring and / or pocketing process applied based on application specific parameters
FEA Weight Optimization Process / "LTS Protocol"	CS SERIES	Vehicle load specific engineering - strength / material thickness tolerance w/ FEA analysis	¥62,000	TUV Tested / Strength parameters used for application specific engineering / weight reduction process
Backpad Pocketing	SL SERIES	Material reduction process applied to backpad weight reduction	¥13,000	Lathe groove process applied based on application specific parameters
Backpad Pocketing	STANDARD	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove process applied based on application specific parameters

Options 2

M.V2	SERIES	DESCRIPTION	PRICE	NOTES
Exposed Titanium Hardware	CS SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Exposed Titanium Hardware / Anodized Gold Finish	CS SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo + Gold Anodized Finish	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Blind Bolt / Reverse Mount Hardware	CS SERIES	Rear mount stainless blind bolt w/ allen key head	FREE	x40 per wheel
Exposed Standard Hardware / Painted	CS SERIES	Front mount standard through bolt w/ PPG Liquid paint or powder coated finish applied	¥13,000	x40 per wheel / includes standard rear mount open ended nut (Stainless Steel)
Backpad Pocketing	CS SERIES	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove ring and / or pocketing process applied based on application specific parameters
FEA Weight Optimization Process / "LTS Protocol"	CS SERIES	Vehicle load specific engineering - strength / material thickness tolerance w/ FEA analysis	¥62,000	TUV Tested / Strength parameters used for application specific engineering / weight reduction process
Exposed Titanium Hardware	SL SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Exposed Titanium Hardware / Anodized Gold Finish	SL SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo + Gold Anodized Finish	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Blind Bolt / Reverse Mount Hardware	SL SERIES	Rear mount stainless blind bolt w/ allen key head	FREE	x40 per wheel
Exposed Standard Hardware / Painted	SL SERIES	Front mount standard through bolt w/ PPG Liquid paint or powder coated finish applied	¥13,000	x40 per wheel / includes standard rear mount open ended nut (Stainless Steel)
Backpad Pocketing	SL SERIES	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove process applied based on application specific parameters
Exposed Titanium Hardware	STANDARD	Front mount closed end titanium nut w/ laser etched ADV.1 logo	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Exposed Titanium Hardware / Anodized Gold Finish	STANDARD	Front mount closed end titanium nut w/ laser etched ADV.1 logo + Gold Anodized Finish	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Blind Bolt / Reverse Mount Hardware	STANDARD	Rear mount stainless blind bolt w/ allen key head	FREE	x40 per wheel
Exposed Standard Hardware / Painted	STANDARD	Front mount standard through bolt w/ PPG Liquid paint or powder coated finish applied	¥13,000	x40 per wheel / includes standard rear mount open ended nut (Stainless Steel)
Backpad Pocketing	STANDARD	Material reduction process applied to backpad for weight reduction	¥13,000	Lathe groove ring and / or pocketing process applied based on application specific parameters
TRACKFUNCTION	SERIES	DESCRIPTION	PRICE	NOTES
Exposed Titanium Hardware	CS SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Exposed Titanium Hardware / Anodized Gold Finish	CS SERIES	Front mount closed end titanium nut w/ laser etched ADV.1 logo + Gold Anodized Finish	¥53,000	x40 per wheel / includes standard rear mount through bolt (Stainless Steel)
Blind Bolt / Reverse Mount Hardware	CS SERIES	Rear mount stainless blind bolt w/ allen key head	FREE	x40 per wheel
Exposed Standard Hardware / Painted	CS SERIES	Front mount standard through bolt w/ PPG Liquid paint or powder coated finish applied	¥13,000	x40 per wheel / includes standard rear mount open ended nut (Stainless Steel)
